While camping at Pioneer Ridge Nature Area, campsites will be maintained in an aesthetically pleasing state so as not to negatively impact neighboring campsite users.

**An aesthetically pleasing campsite entails the following:**

- 1) There shall not be burning of items other than firewood in the fire pit
- 2) The site shall not be occupied by a trailer or vehicle loaded to capacity with non-camping items
- 3) Campsite shall not be littered with trash or household items
- 4) If campsite is littered with clutter, the site user will be notified by WCCB staff and a warning will be given to clean up the site within 24 hours

**If the site remains cluttered 24 hours after warning the site user will be required to leave Pioneer Ridge Nature Area, not allowed to return for a minimum of 2 weeks, and shall forfeit any and all paid moneys for addition days.**
