

Wapello County Conservation

Volunteer Application

If you love to spend time sharing your interests in the outdoors and our environment with others, Wapello County Conservation needs your help! Volunteers are a vital part of Wapello County Conservation programming. There are numerous opportunities for people of all ages and skill levels. By sharing your skills and talents with Wapello County Conservation you not only give back to the community and your environment, you also get a sense of accomplishment and the satisfaction of knowing that you have made a difference.

If you are interested in volunteering, please complete this form, marking the topics that are of interest to you or that you have knowledge/experience in. By doing so we will be able to match your skills and interests with the projects and volunteer opportunities that are available.
