<u>Property Damages Insurance</u> Each Occurrence \$50,000

8. Perform all work necessary for right-of-way restoration in conformance with the Standard Specifications for Highway and Bridge Construction of the Iowa Department of Transportation, including all current additions and revisions. The applicant further agrees to perform this work in accordance with any applicable standards of the Wapello County Secondary Road Department.

- 9. Provide Wapello County with a \$1,000 guarantee (Bond or Check) that the described work will be performed as indicated.
- 10. The County reserves the right to halt the work at any time if the applicant's work does not meet the requirements set forth in this Permit. The County reserves the right to inspect and approve any work performed within its right-of-way as it relates to the condition of the right-of-way; compliance shall be determined by the sole discretion of the County Engineer. These requirements shall apply unless waived in writing, due to unique local conditions, by the County Engineer prior to installation; any such waiver shall be attached to the permit.

It is the responsibility of the applicant to notify any utilities that may be in the right-of-way at the proposed site. Location of these utilities are obtained by phoning **One Call** at **800-292-8989**. One Call shall be notified at least 48 hours prior to construction.

We the undersigned, are the owner, or owners of record, or the legal and duly authorized representative of the owner and agree that we shall save the county harmless of any damage or losses that may be sustained by any person, or persons, on account of the conditions as requirements of this permit. Failure to comply with the conditions and requirements of this agreement shall render this permit null and void.
